## Message from the Managing Trustee

Managing Trustee Sandhya Devi

I believed that two important things in behind of the social changing process. One to emergence of information and communication for large part of the civil society to make capable for participate the social mainstream. Second thing knowledge transfer to generation to generation and management for human life creates a historicity. This was full of value and life given forces for strengthening our nation and democracy as a way of peace and justice.

We as a team had very limited resources to ourselves all we had in plenty was strength, determination, willingness and love for the civil society and nation as a whole with dedication for the process of social changing. As the time our work got various recognition and as for now we have various supporters and have build a good relationship in the work area.

For all that our trust has achieved would not have been possible without the sincere efforts of all the group members' staff, volunteers. I hereby, want to thank each and every one who have laid the foundation of this trust and are associated with it. And who are committed to ensuring these collective efforts.

Let us hope that our commitment will not only it enhance our thinking but will creative and effective for a more just society. I look forward to work with the people and for the people and bring substantial changes to improve towards a better tomorrow.

Sandhya Devi  
**Managing Trustee**

## **Our Vision**

The Vision of EPT shall be a society Dalit, Tribal; Women, excluded community have equal access, control and enjoy their rights with entitlements, resources and institutions in order to lead a life with dignity and justice.

## **Our Mission**

The Missions of EPT shall be to promote social inclusion and democratic along with responsive and accountable governance so that the excluded community, women and youth are empowered to effectively participate in mainstream development and decision-making. And enhancing the struggle for stop the discrimination of cast, class & gender.

## **Core Values**

Non Violence, Transparency, Respect motherhood.

## **Objective**

- To promote and strengthen tribal, Dalit, women and youth leadership and life skill development.
- Eradicate untouchables and discrimination in the society.
- Ensure livelihood and social security rights of excluded community, and Tribal women and older person.
- Strengthening good Governance system with the leadership of women.
- Promoting peace and nonviolence in the society.
- Ensure the education and health rights of women and child specially girl.
- Promote the forest environment protection with forest entitlement.

## **Strategy**

- Facilitating Civil Society by Dissemination of legal, social, information and education.
- Promoting women capacity building for peace building and leadership.
- Skill development of youth and women for livelihood and participation of development process.

## **Target Group**

The primary target group of the trust is the excluded communities, especially Women, Dalits, Tribal, minority Groups, child, senior citizen, Disabilities & all excluded communities.

## Priority Area of Intervention

- ❖ Dalit & tribal women empowerment.
- ❖ Health & education.
- ❖ Sustainable Livelihood promotion.
- ❖ Women & youth skill development.
- ❖ Campaign for peace & Nonviolence.
- ❖ Forest & environment protection.

## Progress & Achieving in this year 2021-2022.

### Dalit & Tribal women empowerment

EPT promote the leadership capacity building of Dalit and tribal women through the training , workshop , exposure and knowledge searing with community this time EPT organized the training of leadership development of Sabar women, legal training, provide information about the govt. schemes and programs

This program for achieving their active participation and access of the govt. facilities. Empowerment of women power. EPT preparation and distribution of ICE material, in local language. Setup village level information centre in 32 village, and provide a box in every village and every information about MGNREGA, FRA, PRI, Women development , Govt. schemes, ST/SC (Poa) RTI ,etc. Organized an information user committee in village level for proper utilization information for needs of the peoples.

## Girl Child Education Programme

EPT promote the education of the girl child and women. In village level practice the signature of every woman to reduce the simple of thumps. Provide Training the educated youth about the process of learning through the language of sabar to odiya and continue the education center in village level and enrolled to children in govt. school. Continue a girl child education promotion centre in Banpur is for higher education of girl child because after the 7<sup>th</sup> class all girls are dropout from the school. Because there are no high school in this area. High school is 25 to 30 Km distance from the area so the parents are not interested to continue girls education. So EPT provide accommodation of home and motivate the parents for higher education for girl and promote a hostel facilities and security for girls and enrolment the high school and college for high education for girls.

## Sustainable livelihood promotion

EPT organized the activities of land and forest based livelihood training, and facilitates the proper implementation of govt. livelihood and food security program (MGNREGA) by the active participation of village community. This program empowered to the group of farmer, women, and laborers to access their livelihood rights and food security. Ept support for kitchen garden of 1690 families of Khurda, Ganjam, and kalahandi district 32 villages.

Ept promote the micro land livelihood campaign program through the women and youth group. Educate to the village peoples about the organic seed protection and food production and eco environmental livelihood process. Plantation of fruit bearing trees and kitchen garden programs for promotion of food and nutrition.

### **Self-governance**

Ept awareness on strengthening the self governance system in village level.ept educate and encouraged the peoples to participate in Gramshava and Palli Sabha , and strengthen the Panchayatiraj system .EPT promote the women participation in this system and take leadership and decision making for village development .

### **Protection of Tribal Culture**

EPT promote and strengthening the tribal and Dalit cultural system in village level and promote the cultural group for saves the traditional culture and art.

### **Observation of National Day**

Ept organized the convention of women and village youth for observation the National Day of Independence Day, Republic Day, Constitution day, Women's Day etc.

### **Social security and protection**

EPT continue awareness and link with the social security scheme of child women and older person who have totally ignore by the society and also continue the awareness program in community for social security rights of the child women and older person and counseling of the family and organized the workshop for support of legal information about the child women and old age safety protection and help. EPT also support for legal rights of child and women .

### **Health Education Program**

The Malaria, TB, dairies etc. diseases are major problem of the target area we have undertaken a number of health education initiative as well as more practical assistance.ept also support to access the benefits of health insurance through smart card .

### **Youth capacity building**

EPT organized the program for youth volunteers capacity building about people's communication, group management, gender justice, constitutional rights and role, women develop and promote the strength of human resource. And provide scope for access the multiple training of capacity and leadership development of the youth staff. This effort improved the women participation and decision making, collective work process & knowledge about work.

### **Forest & environment protection**

Ekta parishad trust organized the awareness program for forest and environment protection through the village committee. After the forest rights act. Village forest rights committee was take responsible their nearest village forest protection and every year Ept organized plantation program through the youth, school children, and women group .EPT organized the training about forest and bio-diversity. Protection in the effort of EPT peoples of 109 villages protects the 2500 hector forest and biodiversity.

### **Women & youth skill development**
